

Fly the world's favourite airline with the world's favourite flight simulator

Papa Tango announces FS PartWorks™ for British Airways.

A range of Officially Licensed British Airways Products produced exclusively for Microsoft® Flight Simulator™ by Papa Tango.

Part One features several versions of the BA B757 and the first part of British Airways History including Limited Edition Postcards, Authentic Charts and Checklists and the worlds most realistic LIVE ATC flights - actually recorded live on the flight deck of British Airways Aircraft for you to fly in Microsoft Flight Simulator.

The most realistic environments you will ever see, hear or fly in the next Millennium.

IMPERIAL AIRWAYS

Available from mid-December at most software stores or telephone our order Hotline direct on 01582 763689
